RE: Zeppa's

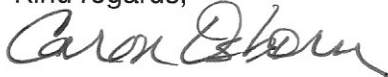

To Whom It May Concern:

I would like to take the opportunity to completely recommend Zeppa's for all your lawn service and landscaping needs. Hidden Falls Residents Association, Inc. has been using their services for all our lawn service needs, and has never been disappointed in either the quality of the work or the amount we've paid. I have also used their services for my personal property for several years and again been totally pleased with the quality of service and cost.

Antonio Zeppa and his team are dedicated and professional, and committed to achieving your satisfaction with your lawn service and/or landscaping. They work carefully with you, and together you decide on the best approach for your property. Their approach is an excellent business relationship.

Zeppa's is a progressive landscaping company in our city, and it would prudent to hire them as soon as possible.

Kind regards,
